For the purpose of informing interested University of Tennessee-Knoxville faculty, please be aware of the following opportunity. Please note that the other recipients of this announcement could be potential collaborators on this opportunity.

**CDC-RFA-PS10-10162: Jail-based Integration of HIV/Sexually Transmitted Infection (STI) Hepatitis Screening, Hepatitis B Vaccination, and Linkage to Care and Treatment**

The Centers for Disease Control, U.S. Dept. of Health and Human Services, is soliciting applications to support the development and programmatic evaluation of a comprehensive, routine, opt-out HIV rapid testing, STI screening, and Hepatitis B vaccination initiative within a city or county jail facility. This program addresses the Healthy People 2010 focus areas of the following: access to quality health services, HIV, immunization and infectious diseases, and sexually transmitted diseases.

A conference call with potential applicants to be held **May 07, 2010** from 1:00 p.m. to 3:00 p.m. Eastern Standard Time.

For detailed information about this opportunity (CDC-RFA-PS10-10162), please see the full solicitation (attached). To find more opportunities from this agency, please see here.

Approximately **$980K** is expected to be available to support 1 award. Cost sharing is not required. Please see the full solicitation for complete award information.

**Deadline for Proposal to OR-Sponsored Programs:** **6/16/2010**
(Please see the solicitation for complete application & submission information.)

Please contact Sponsored Programs (4-2402) with questions regarding proposal submission requirements.

**Deadline for Proposal Submission to Agency:** **6/23/2010**
