The U.S. Dept. of Education is soliciting applications for the Promise Neighborhoods Program. The purpose of the Promise Neighborhoods Program is to improve significantly the educational and developmental outcomes of children in distressed communities and to transform those communities by

2. Identifying and increasing the capacity of eligible entities (as defined in this notice) that are focused on achieving results and building a college going culture (as defined in this notice) in the neighborhood

3. Building a complete continuum of cradle-through-college-to-career solutions (continuum of solutions)

4. Integrating programs and breaking down agency “silos” so that solutions are implemented effectively and efficiently across agencies

5. Supporting the efforts of eligible entities, working with local governments, to build the infrastructure of policies, practices, systems, and resources needed to sustain and “scale up” proven, effective solutions across the broader region beyond the initial neighborhood
(6) Learning about the overall impact of Promise Neighborhoods and about the relationship between particular strategies in Promise Neighborhoods and student outcomes, including a rigorous evaluation of the program.
