For the purpose of informing interested University of Tennessee-Knoxville faculty, please be aware of the following opportunity. Please note that the other recipients of this announcement could be potential collaborators on this opportunity.

EPA-R4-WPD-2010-SFL: Monitoring, Data Management, and Special Studies – South Florida Geographic Initiative, Water Quality Protection Program for the Florida Keys National Marine Sanctuary, and the Southeast Florida Coral Reef Initiative (Land-Based Sources of Pollution)

The U.S. Environmental Protection Agency is soliciting applications for the Water Quality Protection Program (WQPP) for the Florida Keys National Marine Sanctuary (FKNMS). This solicitation concerns the monitoring and data management components of the WQPP that have been incorporated into the FKNMS’s Science Plan (here).

For detailed information about this opportunity (EPA-R4-WPD-2010-SFL), please see the full solicitation (here).

It is estimated that approximately $1.4M will be available to support 6 awards. Cost sharing is not required. Please see the full solicitation for complete award information.

Deadline for Proposal to OR-Sponsored Programs: 6/03/2010
(Please see the solicitation for complete application & submission information.)

Deadline for Full Proposal Submission to Agency: 6/10/2010
