For the purpose of informing interested University of Tennessee-Knoxville faculty, please be aware of the following opportunity. Please note that the other recipients of this announcement could be potential collaborators on this opportunity.

GESP2010: GE & Science Prize for Young Life Scientists

GE Healthcare and Science/AAAS, is seeking applications for the 2010 GE & Science Prize for Young Life Scientists. This prize seeks to foster visionary thought and research by supporting scientists at the onset of their careers. The prize recognizes outstanding graduate students in molecular biology from all regions of the world. Entrants write a 1000-word synopsis of their thesis and submit this to the journal Science for judging by an executive scientific panel.

Each year one grand prizewinner is selected who wins US$25 000 in prize money. Four regional prizes are also awarded each year, each winner receiving US$5000.

For complete information on this opportunity please see the full solicitation (GESP2010).

Please see the full solicitation for complete award information.

Deadline for Submission: 8/1/2010
