For the purpose of informing interested University of Tennessee-Knoxville faculty, please be aware of the following opportunity. Please note that the other recipients of this announcement could be potential collaborators on this opportunity.

PAR-10-177: NIDA Mentored Clinical Scientists Development Program Award in Drug Abuse and Addiction (K12)

The National Institute on Drug Abuse (NIDA), National Institutes of Health is soliciting applications for institutional research career development (K12) programs that propose to support intensive supervised research training and career development experiences for clinician scientists (scholars) leading to research independence in the area of drug abuse and addiction. Candidates selected for support as scholars must hold a clinical or research doctorate and can commit a minimum of 9 person-months (equivalent to 75% of full-time professional effort) conducting clinical research and career development activities associated with the proposed program.

For detailed information about this opportunity please see the full solicitation (PAR-10-177). To find more opportunities from this agency, please see here.

The total amount awarded and the number of awards will depend upon the mechanism numbers, quality, duration, and costs of the applications received. Cost sharing is not required. Please see the full solicitation for complete award information.

Please note that the deadline listed below is the next available date for submission. This program has another cycle submission deadline of October 16th, 2010.

Deadline for Full Proposal to OR-Sponsored Programs: 6/05/2010
(Please see the solicitation for complete application & submission information.)

Please contact Sponsored Programs (4-5066) with questions regarding proposal submission requirements.

Deadline for Proposal Submission to Agency: 6/12/2010
